Saint Thomas Prashaskiya Mahavidyalaya, Amravati is successfully working for spreading the light of education among all regions. Today when I look back it surprises me & makes me believe that inspired & sincere hard work with predetermined purpose can bring dreams into reality. I never meant an institution as the delivery of theoretical & practical academic syllabus -prescribed knowledge only. I meant institution as an entity molding a student through enabling to tackle & overcome any difficulty that comes across in all walks of life as a human being.

Saint Thomas Prashaskiya Mahavidyalaya, Amravati has a glorious history of 5 years during which it has grown & developed as one of distinguished institute providing education at the very doorsteps of the urban & rural areas. Saint Thomas Prashaskiya Mahavidyalaya will take full efforts to ensure that the students become confident and capable enough to come out of the examination very successfully and fulfill their dream of being an I.A.S., I.P.S. officers.

The institution has established, nourished & maintained its standard of quality education. In view of to change this situation we have opened “Saint Thomas Prashaskiya Mahavidyalaya, Amravati district in Maharashtra state which is recognized by Govt. of Maharashtra’s Ministry of Higher Education and affiliated to Kavikulguru Kalidas Sanskrit University, Ramtek. This college renders all sorts of assistance necessary for preparing oneself for the administration of the central and state governments.

In Maharashtra our Marathi boys and girls are choosing medical and engineering and technical fields for their career. However in India the highest post in I.A.S., I.P.S., I.R.S., etc are attracting candidates in large number from other state. But Maharashtraiyans youths either are not interested or maybe they are afraid of competing with others due to lack of facilities or proper infrastructure to make them capable to stand in competition, with result all or most of the posts at highest level are successful in I.A.S. and other all India competitive examinations. It is evident that our boys and girls are lagging behind other states or want of proper guidance, material required for such competitive examination and above all lack of proper and conducive atmosphere for preparing themselves for the examinations.

The students admitted to the college get best possible guidance, valuable ready material and suitable atmosphere which will be conducive for proper and serious studies ‘Saint Thomas Prashaskiya Mahavidyalaya, Amravati’ will make available advice and guidance of specialists and experts in the relevant subjects and also well experienced MPSC & UPSC officers who will not only deliver lectures in the respective subjects but also will interact with students by way of question and answers .Saint Thomas Prashaskiya Mahavidyalaya will take full efforts to ensure that the students become confident and capable enough to come out of the examination very successfully and fulfill their dream of being an I.A.S., I.P.S. officers.

We believe that success is inevitable where there are determination, hard work and discipline. You are assured that you will be proud of yourself as a confident and successful after completing your education from our institute. Once again, I wish all the best to my students and a successful and rewarding career. Thanking You !
